

Our Lady of Lourdes is a pilgrim church coming to know the Kingdom of God by being Christ to the world

Our Lady of Lourdes

Catholic Church

Hello all!

My name is Patricia Fabian, and I am the new director of administrative services for Our Lady of Lourdes Parish. I have received a warm welcome and happy smiles from everyone I meet! I am delighted to be able to support the many wonderful ministries here at the parish.

I have lived in Wisconsin for so many years now that my “home state of Pennsylvania” is only a brief time period in my life. I have spent most of my career in health and human services, specifically with vulnerable populations. I had a life changing experience at 16 years old that pointed me into the service of those with disabilities and I loved every minute of that service. I have also run an assisted living facility, worked on housing and homelessness concerns, and ADA/accommodations and employment.

I have been telling everyone that this role will allow me to support “every mission I have engaged in and serve my faith more directly all at the same time!” I am overjoyed to have found a parish to support that is so full of joy, generosity of spirit, and welcoming to all.

I love to garden and make creative “upcycled garden art”—spending time in my perennial gardens is how I meditate. I also enjoy getting creative in the kitchen. One of my grandmas moved in with my family when I was three years old. She was Italian and grew up on a farm in northern Wisconsin. As a child I was always amazed at how she could make four loaves of bread appear as if by magic—she scooped and poured rather than really measure! I set a goal for myself when I started living on my own to learn to make bread as good as grandma’s! Admittedly, I need to measure, but it is one of my favorite fall and winter weekend things to do.

So happy to be here!

Patricia Fabian
